Gentlemen:

I am an electrical ratepayer in Mohave County, Arizona. I would like to protest the proposal of 22% residential, the 25% commercial, and the 31% industrial electrical rate increase. There has been no proven reason for such a large increase other than Citizens' Utility Company's mismanagement.

I would also like to oppose the proposal of an 18 month delay before the new company, UniSource, is required to operate in retail competition. In light of the unheard of 22% increase the retail competition should be moved to December 2003.
